Go ahead and set up a meeting with AG's office. We have been advised from AG that all records, including AD's personnel records transferred to EOPS w/the transfer of the Lab.

We really need to get together soon to address issues concerning DPH personnel and administrative/investigative records (which presumably will remain DPH records) and analytical/lab records which (which presumably are now MSP records). We are in Court again today (Norfolk Superior), where the issue is Ms. Dookhan's employment records (which are DPH records). I suspect we will continue to see subpoenas and/or orders that involve the records of both agencies and think we should reach a consensus on record transfer and an "official " Commonwealth position.
